- Payroll Clerks and Managers

our approach

Honesty, integrity and professionalism are core principles of our service, driving our ability to deliver world class recruitment solutions to our clients. Relationships are critical to success and as a client of Reed, you can expect a dedicated point of contact within your specialist discipline and access to the knowledge and support of an experienced team.

We aim to develop long term relationships and work in partnership with our clients to deliver effective, efficient and creative solutions.

our solutions

Tailoring our service to individual client needs is what we do best. With our dedicated marketing and international candidate resourcing team and a Global Database with over 2.5 million candidates, we can effectively adapt to client needs and market conditions.

Whether it's contingency recruitment or a combination of advertised and search activities, we have the knowledge and tools to apply ourselves to your individual needs for single hire mandates or managed projects in the local and international market place.
